PROFILE

Creative and highly skilled WordPress Developer with deep expertise in crafting custom themes and Elementor addons. From pixel-perfect frontend design to functional, scalable backend systems, I've built tools and interfaces that power dynamic websites and business experiences. Published author of the Modernpress Addons plugin on the WordPress repository. Known for clean code, creative UI, and full project ownership—from idea to launch.

WORK EXPERIENCE

- Uptechsol SMT Pvt. Ltd. MAY 2023 - MAY 2025
